Subject: Confirmation of Collaboration for Community Engagement Project

Dear Dr Surendra Singh Rathod,

We are pleased to formally confirm the collaboration between the **Mumbai Sustainability Centre** and "**Fr. Conceicao Rodrigues College of Engineering**" for the Community Engagement Project. This partnership aligns with our mutual goal of fostering social responsibility and providing students with practical exposure to real-world challenges. As part of this collaboration, we have identified a project titled "**Walking Project**" on which the following students will be working.

Project Details:

Project Title: Walking Project

Objective: Walking Project by the Mumbai Sustainability Centre aims to promote sustainable urban mobility by improving the quality of walking infrastructure available to pedestrians.

Scope: Conducting Surveys, mapping project areas, performing audits, and creating presentations for the NGO

Duration: August 24th to October 31st

Expected Outcomes: The project seeks to engage the students on an important social issue and support them by providing a simple methodology to make observations about pedestrian infrastructure, and analyse and record the same. Subsequently to engage the community and authorities to resolve the issues.
